

Lincoln Public Library Reopening Phase I (update)

Hello all, we hope you are enjoying Summer!

Beginning Monday July 13th, we are extending our contactless curbside service to include Monday-Friday from 10-2pm. The building is not open to the public.

We can offer wireless printing service by using your phone or other device. You will log on to our wifi (password is posted on the front and back door) and then print to our printer, which is an HP. Once your document has printed, we will put it on the table at the back door. Please only use this during hours we are providing curbside service.

Below is the information to place holds and requests. This is a temporary solution, and we are all learning as we go, your continued patience and support is much appreciated.
